31 Roger began Twisfallow Ended 17th mo
 Mem. his father being here y 26th mo
 we agreed Roger R. H. J. that Rog.
 should serve y Year out for twelve
 pounds - he began 19th March -

V Mon. July hath xxxi days.

Ev'n while the reaper fills his greedy hands,
 And binds the golden sheafs in brittle bands:
 Oft have I seen a sudden storm arise
 From all the warring winds that sweep the skies:
 And oft whole sheers descend of flucy rain,
 Suck'd by the spongy clouds from off the main;
 The lofty skies at once come pouring down,
 The promis'd crop and golden labours drown.
